

Need to know

BOYS & GIRLS CLUBS

Engineers of the Future Summer Camp is back!

Engineers of the Future will be hosting their second summer camp in partnership with the Boys & Girls Club of Metro Phoenix.

- The program will run July 23rd, 24th and 25th at the Harry & Sandy Rosenzweig branch of the Boys & Girls Club of Metro Phoenix..
- Students will continue to work alongside mentor engineers on the creation of a Truss Bridge STEM project by applying the skills they've acquired through the Introduction to Engineering Summer Camp and will have the opportunity to compete for prizes based on the strength and presentation of their Truss Bridge.

Meeting: July 23rd, 24th and 25th **from** (10 a.m. - 1:30 p.m.)

Day

Time

Engineers of the Future will meet for a three day camp for 3.5 hours and students will be provided lunch.

Program Meeting Location: Boys & Girls Club Club of Metro Phoenix, Harry & Sandy Rosenzweig Branch, 2242 W. Missouri Ave. Phoenix, AZ 85015, Official location sponsor of Engineers of the Future.
